THIS FALL, Aspen native Tim Estin moved to Aspen Snowmass Sotheby's International Realty in downtown Aspen from Coldwell Banker Mason Morse where he had been an elite top 1% global Previews Specialist Agent and was awarded CB's highest distinction, the International President's Premier Award, presented to less than half of one percent of its 116,800 worldwide broker force for outstanding sales performance.

Since 2006, he has published *The Estin Report and blog* – a sales, marketing, and research platform for his listings and for Aspen Snowmass luxury real estate at www.EstinAspen.com. With over 10,000 pages of present and archival Aspen real estate information, *The Estin Report* is a primary resource for market and pricing information widely followed by those interested in Aspen real estate.

We are pleased to have Tim Estin continue this fine record with our company.
