**Subject:** Your License Application Has Been Approved

Dear Timothy Estin,

Your application for the Employing Level Real Estate Broker - Associate's license has been approved. Your new license number is EA.040043228. Please note that if this is an initial license application (i.e. brand new license), your license will expire on December 31st of the year of issue (or December 31 of the subsequent year if your license was issued in November or December). To view your license details (e.g. license status, expiration date, etc.), please log into your E-license account at <https://apps.colorado.gov/dre/licensing/> and select the tab labelled "License Information".

If you have requested an active license, please allow at least one business day for your license certificate to generate within your E-license account (inactive license requests will not generate a license certificate). You can access the license certificate within your account by selecting "Online Services" from the upper right hand corner of your screen after you've logged into your account, then select the link titled "Print Your License". If the certificate download link does not appear within your account after 5 business days, you may request a reprint by sending an email to [dora\\_realestate\\_website@state.co.us](mailto:dora_realestate_website@state.co.us)

Thank you,

Colorado Division of Real Estate
